Medical Coding
Certificate of Proficiency
2022 - 2023
6 Credit Hours

Name_____ **Anticipated Graduation Date** _____

Original placement in developmental education courses is determined by ACT, ASSET, COMPASS, Accuplacer, or SAT test scores. I understand that if required to enroll in developmental education courses as a result of my test scores and Arkansas law, Act 1101, an additional semester may be required to complete my program of study. (*) following the course name signifies the program core courses.

Required Courses

MEDL	1043	Medical Coding I		3	
MEDL	1063	Medical Coding II		3	

The Certificate of Proficiency in Medical Coding is geared for students with prior medical field knowledge. Students should have a solid understanding of medical terminology along with a core understanding of anatomy and physiology. With this previous knowledge, students will learn the coding skills needed to enter the field of medical coding as well as prepare them to sit for the Certified Professional Coder (CPC) certification which is required for gainful employment in various medical coding positions.
